Dear Member,

A warm thank you to all the past members and participants of the Spectrum Denturist Academy for your support. The Zoom style presentations were a great success, and we could not be prouder of the support we received from our sponsors. I hope that you found the presentations informative and valuable and are on course to collect your CE points for the current year. In 2024 SDA will continue to evolve as it has every year.

Following our 2022 and 2023 programs we ran a survey amongst our members and learned that many of our attendees enjoy the freedom of the virtual world and prefer Online webinars. Hence, in 2024 we shall proceed with out virtual classes and continue to utilize this opportunity to invite acclaimed speakers from all around the world.

In 2023, we welcomed many SDA members from other provinces and the USA. SDA members could participate virtually but also on demand. In 2024, we will go live with one program that will be streamed for all the members that cannot attend. In 2024, SDA members can once again participate in 4 TIA seminars, 3 of which will be fully Virtual, and one will be In-person. The joint membership option between TIA and SDA has been successful as we now have denturists participate in the TIA courses and dentists participate in SDA courses.

TIA is a clinical academy and gives its members the opportunity to engage with experts in implants, implant-aesthetics as well as business, management, and digital workflow. SDA will schedule 4 days of lectures (3 virtual & 1 in-person/streaming), while TIA will feature 10 days of ½ day lectures with more than 20 speakers. We will also create a library of the presentations so members can review them at their own leisure later on.

## SDA Member Benefits

- 4 days of SDA courses (12 presentations) and up to 10 days of ½ day of TIA courses (20 presentations) with CE credits
